

# National and Regional Cycling Organizations

There are a wide range of clubs and organizations in Georgia that are actively supporting cycling. Some plan and conduct rides and events, others are non-profit advocacy groups working to improve cycling conditions. Some focus on

both in addition to other activities. Since each group's mission, services, or contact information can change over time, we are directing readers to their respective Web sites for details and contact information.

LOCAL ORGANIZATIONS	LOCATION	WEB SITE
<b>Azalea City Cyclists</b>	Valdosta	<a href="http://www.azaleacitycyclists.com">www.azaleacitycyclists.com</a>
